21st International Welsh Pony and Cob Show

The IG Welsh e. V. is proud to welcome you to the 21st International Show.

The turbulence experienced in the last two years has upset our entire "normal world" and forced us to postpone the date for this great event several times. We are particularly pleased to welcome friends and lovers of the Welsh breed from all over Europe on the 20th and 21st of August 2022 on the international stage of the Aachen Soers.

The last International Show on German soil also took place in Aachen in 2003 and is still fondly remembered by many Welsh enthusiasts today. A lot has changed in the meantime, overseas ties have become stronger and international communication and cooperation in the field of horse breeding has also reached a new level.

We received a lot of encouragement and support from our sister societies abroad for which we are very grateful. Let's experience and celebrate this international spirit together over two days in Aachen.

In this general information and schedule you will find all the important details you need to know about this event. If you have any further questions, please do not hesitate to contact the show secretary.
